

Pinky Dinky Doo™

For this craft you'll need: crayons or markers, thin cardboard (like from the side of a cereal box), craft glue, and tape.

1. Color your silly mask.
2. Paste your decorated mask to a piece of cardboard. Make sure all the edges of the mask are firmly glued down.
3. Ask an adult for help to cut out around the mask and cut out the eye holes.
4. Take two straws and pinch the end of one straw. Put it into the opening of the other straw to make one long straw. Put tape around the joint to secure it.
5. Finally, tape the straw "handle" to the backside of the mask along one of the edges.
6. Yesserooni, positooni! You did it!
