Super Navigator Sticker Game

Put your Going Places in Science navigation skills to work!

Here's how:

1. Cut out the segment photos.
2. Tune in to watch this season of DragonflyTV, or take a trip around our Website, to figure out where each of these segments took place.
3. Glue or tape the photos at the correct locations on your map.

Or put these photos on your calendar as tune-in reminders!

Check out DragonflyTV video podcasts at pbskids.org/dragonflytv/podcasts/index.html
