

# I'm Proud of You

I'm proud of you. I'm proud of you.  
I hope that you're as proud as  
I am proud of you.  
I'm proud of you.  
I hope that you are proud

And that you're  
Learning how important you are,  
How important each person you see can be.  
Discovering each one's specialty  
Is the most important learning.

I'm proud of you. I'm proud of you.  
I hope that you're as proud as  
I am proud of you.  
I'm proud of you.  
I hope that you are proud of you, too!
