

# I'm Still Myself Inside

I can put on a hat, or put on a coat,  
Or wear a pair of glasses or sail in a boat.  
I can change all my names  
And find a place to hide.  
I can do almost anything, but  
I'm still myself inside.

I can go far away, or dream anything,  
Or wear a scary costume or act like a king.  
I can change all my names  
And find a place to hide.  
I can do almost anything, but  
I'm still myself,  
I'm still myself,  
I'm still myself inside.
